

How to be more effective in evangelism to Muslims

Aim: Come and find out from others what is working in evangelism. Then discover what the Lord would have you step out in at this time.

1. What is working:

Words: Giving gospels. Book tables. Apologetics. Encouraging Muslims to read the Quran in their own language. Satellite TV/radio/internet.

Works: Friendship evangelism. Showing love. Helping Refugees. Welcome box.

Wonders: Healing on the streets. Treasure hunting. Praying for dreams and visions.

Summary:

The above sharing was aimed to raise awareness of what is already happening in various ways around the world and therefore what we might try ourselves. You can also do this exercise alone.

2. This next section is a personal exercise :

Take a sheet of paper and write down four numbers with a few lines between each. **8 mins**

1. **Pray & Reflect:** What do we have on our heart to try? e.g. Healing prayer.

2. **Reflect:** What training or preparation do we need?

3. **Reflect:** Who can we do it with?

4. **Reflect:** When can you start?

Pray for each other in pairs. 5 mins.

Mobilising Locally:

Read the following Bible passages and reflect on how we can pray effectively for evangelism in our Mahabba groups:

- Colossians 4:3,4. Boldness, open doors, clarity.
- 1 Cor. 1:21-25. The cross, power of the Holy Spirit.
- Matthew 9:37, 38
- Any other key passages you would add?
